

FutureLearn online courses

Do you want to understand more about “Tackling the global food crisis”, “WWI – changing faces of heroism” or “Managing My Money”? These topics are just 3 of the many **free online courses** provided by FutureLearn, an arm of the Open University. The tutored courses are just a few hours a week for a few weeks.

Go to: <https://www.futurelearn.com>

for details of these and other courses.
